F2020-SB2: Bylaws Amendment: Creating SGA Senior Committee and SGA Feb Committee

Whereas, there are currently SGA First Year, Sophomore, and Junior Committees;

Whereas, there is not an SGA Senior Committee or SGA Feb Committee;

Whereas, the Student Activities Office already has a Senior Committee and Feb Celebration Committee;

Whereas, transferring these preexisting committees into the SGA will allow for increased organization, engagement, and cohesion;

Whereas, these committees will allow SGA Senior Senators and SGA Feb Senators to further represent their class;

Therefore, be it enacted…

That, the SGA will create and support a Senior Committee and Feb Committee as outlined by Section IV(A)(4) in the SGA Bylaws.

That, in 2021 the Student Activities Office will transfer the preexisting responsibilities and resources of the Senior Committee and Feb Celebration Committee to these SGA committees, respectively;

Respectfully submitted,

John Schurer, SGA President
Rodney Adams, SGA Senior Senator
Melisa Gurkan, SGA Feb Senator
Mistaya Smith, SGA Feb Senator
